## The Greatest Discovery of the Age!

**THIS** term may be justly applied to the dis-  
 covery of compounding medicines with  
 the best double refined Leaf Sugar in such a manner  
 that children and adults may now eat medicine  
 with as much pleasure as they do the best confection-  
 ary.

For this discovery we are indebted to A. Sher-  
 man, M. D. of the city of New York, who has  
 been a regular practitioner of medicine in that city  
 for the last ten years; and also a member of the  
 New York Medical Society.

The Doctor, after devoting his attention for a  
 long time to the subject, about three years since  
 offered his invention to the public under the name of  
**SHERMAN'S MEDICATED LOZENGES.**  
 Since which time they have gained a celebrity for  
 the cure of different combinations for which they  
 are recommended, unprecedented in the history of  
 any other medicine—they consist of—

**COUGH LOZENGES,**  
 Which are the safest and most effectual remedy  
 for Coughs, Colds, Consumption, Whooping  
 Cough, Asthma, &c. ever offered to the public.  
 They operate by promoting expectoration, allay-  
 ing the irritation of Coughing, and removing the  
 cause of disease.

**WORM LOZENGES.**  
 The only infallible Worm medicine ever dis-  
 covered. In over 400,000 cases they have never been  
 known to fail. Many diseases arise from worms  
 and occasion long and intense suffering and even  
 death, without their even being suspected; grown  
 persons are very often afflicted with them, and  
 are doctored for various complaints, without any  
 benefit; when one dose of these Lozenges would  
 speedily cure them.

**CAMPFIRE LOZENGES,**  
 For nervous or sick head ache, palpitations of the  
 heart, lassitude and nervous affections generally.  
 Persons traveling or attending large parties, will  
 find the Lozenges really reviving, and imparting  
 the buoyancy of youth; used after dissipation,  
 they will restore the tone of the system generally,  
 and remove all the unpleasant symptoms arising  
 from too free living.

**CATHARTIC LOZENGES,**  
 The best cathartic medicine for removing bile from  
 the system and preventing attacks of the bilious  
 and intermittent fever of this section of country.

**FEVER AND AGUE LOZENGES.**  
 These Lozenges have been tested by a celebrated  
 physician in a practice of twenty years and have  
 never been known to fail in removing this dis-  
 ordering disease. In addition to which, if the  
 directions be followed, the disease will not return.

**SHERMAN'S POOR MAN'S PLASTER.**  
 This Plaster, of which over 1,000,000 are sold  
 yearly, is believed to be the best plaster for rheu-  
 matism, lumbago, pain in the back, breast, side, or  
 any other part of the body, ever prepared, and its  
 price (only 12 cents) brings it within the reach  
 of every person in the community.

A large supply of these celebrated  
 articles just received and for sale by  
**G. L. THOMPSON,** sole agent for Ottawa,  
**S. G. SMITH,** Peru,  
**E. F. & S. PULSFER,** Hennepin,

**Suckers, Read This!**  
**THE** subscriber, living one mile east  
 of Marseilles, LaSalle county, has  
 established himself in the manufacture of  
 Rope of all kinds, sizes and lengths, from  
 hemp of his own raising, which is all  
 water-rotted; and a specimen exhibited  
 at the Navy Yard at Washington last win-  
 ter, by the Hon. R. M. Young, was pro-  
 nounced to be equal to any ever shown "in  
 their diggings."

I am prepared to manufacture all kinds  
 of Rope, to any amount, at the shortest  
 notice. Having for my workman an Old  
 Countryman, who has spent his life upon a  
 rope-walk, I am able to make as good  
 and a cheaper article than can be had in  
 this section of country. If you don't be-  
 lieve it, call and see!  
**S. S. BULLOCK.**  
 Marseilles, May 26, 1843. 51—1f

**GREEN'S MILLS,**  
**DAYTON, ILL'S.**  
**THE** subscriber having leased the above  
 Mills for one year, takes the liberty  
 of informing the public that he is a  
 practical Miller of more than twenty  
 years experience, during most of which  
 time he has been extensively engaged in  
 manufacturing Flour in some of the largest  
 establishments East. He now solicits  
 a share of the patronage of the public to  
 the above establishment, assuring them  
 that nothing which experience and oblige-  
 ing rulers can accomplish shall be want-  
 ing to give justice and, as far as possible,  
 perfect satisfaction to those who may fa-  
 vor him with a call.

The Mills are now in fine order for  
 Merchantable and Grist Work.  
**CASH FOR WHEAT,** at a fair deduction  
 from Chicago prices. **GEO. MANN.**

 ufactured and put up in first-rate order at  
 reasonable rates. **G. M.**

## To Farmers &amp; Wool Growers.

**THE** subscribers would respect-  
 fully inform the farm-  
 ers and wool growers  
 of the country, that  
 they are prepared and  
 will manufacture good  
 clean wool into cloth  
 in lots of one hundred  
 pounds and upwards, for one half as taken from  
 the loom, with additional charges for dressing the  
 same, (which shall be reasonable).  
 They will also exchange cloth for wool in lots  
 of less, or more than one hundred pounds, on  
 fair and reasonable terms; and will work wool on  
 commission at a fair price for cash.

**WOOL CARDING**  
 done for customers as usual for 64 cents per pound.  
 They have put their machine in good repair, and  
 assure those who bring their wool in good order,  
 that their work shall be well done.

The farmers will find it to their interest to have  
 their wool well washed, both for carding and for  
 manufacturing, as wool in a bad state will invari-  
 ably lose from 25 to 33, and as high as 50, per  
 cent.; it is also desirable that wool for manufactur-  
 ing be done up in separate fleeces.

The goods we intend to manufacture will be  
 full cloth, cassimere, satinette, jeans, flannels  
 and blankets of full width. **J. & D. GREEN.**  
 Dayton, Ill., April 29, 1842. 49—1f

## SANDS' SARSAPARILLA.

**THIS** unrivaled preparation has performed some  
 of the most astonishing cures of diseases that  
 are recorded in the annals of history, thus proving  
 conclusively it is capable of fulfilling the high aim  
 and purpose for which it is designed. Patients suf-  
 fering for years from various chronic constitutional  
 disorders, after trying different remedies, spend-  
 ing thousands of dollars in traveling and doctor-  
 ing, and suffering all that human nature is cap-  
 able of enduring, have, by the use of a few bottles,  
 entirely recovered their health. Chronic Rheu-  
 matism, Scrofula or King's Evil, Salt Rheum and  
 Ringworm, Ulcers and painful affection of the  
 bones, Elicated Throat and Nostrils, Scurvy,  
 Biles, Chronic Sore eyes, Blanches and various  
 cutaneous eruptions, are effectually cured by its  
 use. Diseases having their origin in an impure  
 state of the blood and fluids generally will be  
 speedily and effectually removed by this invaluable  
 medicine, as its operation is peculiar, and consists  
 in removing the cause of disease by entering into  
 the circulation and passing through the general  
 system. Where obstructions to its favorable  
 operation exist, they are removed as it passes  
 along the alimentary canal; hence the patient  
 will feel and know the sensible operation of the  
 Sarsaparilla from its curative powers.

The proprietors are daily receiving from the  
 medical profession, the clergy, officers of justice,  
 and numerous private citizens, ample and willing  
 testimony, both written and verbal, to the superi-  
 or value and efficacy of this preparation. To the poor  
 it is furnished gratuitously, on sufficient  
 proof being furnished of their worthiness.

The following certificates from individuals who  
 have suffered with Scrofula in its severest form,  
 are presented for the careful perusal of the afflicted:

**ESSEX, CONN., July 25, 1843.**  
**Messrs. Sands—Gent:** About eight years since,  
 by being overheated and directly after exposed, I  
 was seized with a severe cold, which deranged the  
 whole system. Purple or livid spots appeared on  
 the skin, attended with violent pain of the head;  
 the symptoms being alarming, a physician was  
 called who prescribed blistering and leeching,  
 which produced partial relief. Hard bony lumps  
 formed under the skin on various parts of the body  
 and the Doctor pronounced my complaint heredi-  
 tary Scrofula now for the first time developed.

The following winter my sight failed in both  
 eyes; medical aid was again resorted to, which  
 relieved my sight during the summer; my nose  
 began to increase in size and the whole body  
 rapidly enlarged with a dropsical swelling. The  
 nose even grew very sore and discharged profusely  
 the most loathsome substance. My whole sys-  
 tem was involved in disease; the lumps softened  
 and discharged freely, producing great debility;  
 ulcers now broke out on the legs, and to complete  
 my misery, the muscles and sinews contracted so  
 that I was rendered nearly helpless. I remained  
 with little change in this condition until last Oc-  
 tober, when I was suddenly seized with an inde-  
 scribable sensation which rendered me nearly un-  
 conscious, and my friends supposed it was the will  
 of kind Providence to rid me of my sufferings, but  
 from this I recovered only to suffer on; the ulcers  
 had become one continuous sore entirely raw.

It was in this condition that I commenced the  
 use of your invaluable Sarsaparilla, which I was  
 induced to use from the many remarkable cures I  
 saw published. It came to me as some guardian  
 angel; and I can scarcely tell why, yet from the  
 moment I heard it mentioned I was impressed fully  
 with the belief that this was to be the Good Sa-  
 raparilla for me—and truly it has wrought wonders  
 in my case. After using it a few days my pains  
 grew easier, the swelling of the body and limbs  
 went down, the ulcers commenced healing, and I  
 rested well. After suffering every thing but the  
 pains of death, how happy am I, and how grate-  
 ful do I feel to be able to add another testimonial  
 to the efficacy of your priceless Sarsaparilla.

My health is restored, and I have walked four  
 miles without inconvenience. I superintend my  
 family affairs, and in fact feel almost like being  
 in a new world. I am induced to make this public  
 acknowledgment from a deep sense of duty due  
 to you as a means in the hands of God of restoring  
 a fellow mortal from a premature grave. I can  
 now begeth to express my feelings. May  
 the Lord be with you, and make his face to shine  
 upon you, is the sincere desire of your much  
 obliged and deeply indebted friend. To the  
 afflicted I would say, Do not despair; for, how-  
 ever desperate your case may be, you surely have  
 an antidote at hand—viz: **S**
